_____ City, State, ZIP

is hereby granted permission to collect up to five (5) cords of DOWNED timber for personal, non commercial use as firewood, and to remove it from the Chena River State Recreation Area during the dates specified:

Permit Effective Dates: 09/15/08 through 04/15/09-no cutting during summer

Special provisions: Harvest only downed trees or fire killed standing trees that are 50 yds from any road

I have read the attached stipulations and permit provisions. The information on this permit is true and complete to the best of my knowledge, and I understand that any false statement or omission may result in suspension or revocation of the permit and forfeiture of the permit fee. I understand that this permit will not grant any reservation rights or rights of exclusive use; and that resources are available on a first-come, first-served basis, unless otherwise allowed by special stipulation. I agree to abide by State Park regulations and by the terms and conditions of this permit, and will confine my activities to those described.

SPECIAL STIPULATIONS for FIREWOOD REMOVAL, CHENA RIVER SRA

TO THE APPLICANT/PERMITTEE: Please familiarize yourself with these stipulations and understand how they apply to your operations. **Failure to comply with any provision or requirement may result in a citation** being issued to you, possible suspension or revocation of the permit, and possible payments due the State for any cleanup, repair, and/or legal costs.

AUTHORIZED TREES: Only down or burnt timber may be cut and removed from recreation area lands. Only standing trees killed by fire may be felled, or removed. **No timber will be taken closer than 50 yards from any road.**

CLOSURE NEAR DEVELOPED FACILITIES: No wood, timber, or other vegetation may be cut or removed from within 1/4-mile of a developed campground, trailhead, picnic area, cabin, or Twin Bears Camp, unless trees have been specifically marked by Division employees for removal.

COMMERCIAL USE PROHIBITED: This permit allows only for the personal, non-commercial use of trees for firewood. Wood gathered in the area may not be sold, bartered, or traded.

OBSTRUCTION OF ROAD: The permittee agrees to not engage in activities which may pose a hazard to other recreational users, or obstruct vehicles on Chena Hot Springs Road or any other road or trail in the area; and further agrees to park all vehicles with hazard lights on in a safe manner and in compliance with State law.

PERMIT CORD LIMIT: The total household limit which may be gathered under this permit is **five (5)** cords. Multiple permits may not be issued to increase this amount.

REMOVAL OF SLASH: The permittee **agrees to clean up** and properly dispose of all slash (branches, tops, and other tree debris) within 100 feet of the road surface. Slash may be hauled into the woods and left beyond this distance. Slash may not be deposited in water or left where it might enter the water.

SPARK ARRESTERS AND ENGINE MUFFLERS: A muffler and spark arrester satisfactory to the grantor must be maintained on the exhausts of all vehicles, saws and other internal combustion engines used in connection with this permit.
